

### WHY IS SHELTI THE BEST COIN OP POOL TABLE IN THE WORLD?

---

Shelti's time-tested and professionally trained employees have been building the world's best coin-op pool tables for as much as 30 years in some cases, and their team has over 200 years of experience. When the brand of the tables they built changed some 15 years ago Shelti saw this as an opportunity to make the world's best pool tables even better. They did this by finding ways to give the operator longer life on location, better performance, much less service requirements, and ultimately a better ROI.

Here are just 10 things that make Shelti the Best Coin-Op Pool Table in the World!

1. True 2 to 1 ratio playfield with symmetrical corner castings enhances play characteristics and increases play.
2. Attractive rail cap molding with hidden screws that won't snag players' clothes.
3. Specific flanged nylon washers in cushion rail holes to center and insure a perfect fit every time.
4. All cushion rails made in house with top grade poplar and retro-fitable to any model Shelti pool table.
5. One-piece vacuum formed center chute with over-sized and correctly positioned chalk drop through holes to prevent blockages.
6. Top quality construction grade plywood throughout cabinet insures a rugged and sturdy cabinet and long earnings life.
7. Easily removable one-piece extruded aluminum ball trap for easy cleaning or maintenance with no tools required.
8. No push chute end or hinge bars to bend, lock up, or disable the table, thereby eliminating service calls.
9. Strategically placed legs mean rowdy players won't damage the cabinet by picking it up and dropping it.
10. Apron stiffeners in closed side of pool table guarantee straight side aprons and top rails as well as extra cabinet integrity for tables moved from one location to another.
